Add YANMAR Sentry Unit Protection (Y-SUP) to your YANMAR Bull or Longhorn UTV and get a protection plan designed by and administered by YANMAR America. MY2017 Bull and Longhorn models are not eligible for Y-SUP.

Y-SUP provides:

- Genuine YANMAR Factory-Backed Protection
- Nationwide Service Network: Covered repairs can be performed by any authorized YANMAR UTV dealership in the United States or Canada.
- No Deductible: There are no repair deductibles involved in your Y-SUP Plan coverage.
- No Mileage/hour limits: Your YANMAR Bull and/or Longhorn model is covered no matter how far or how long you travel.
- No Paperwork: Your dealership will work directly with YANMAR America to file claims and handle reimbursements.
- Save money on labor and repair costs: Y-SUP provides you with peace of mind

Utility Task Vehicles (UTVs) can be hazardous to operate. Improper use can cause severe injury or death. Each rider must wear a seatbelt, an approved helmet, eye protection, and protective clothing; use handholds/steering wheel and stay completely inside the vehicle. UTV operators must have a valid driver's license (no operators under age 16) and all riders must be able to sit with their backs against the seat, feet flat on the floor and hands on the handholds/steering wheel. Each rider must read and understand the Operator's Manual before riding. Follow all instructions and warnings. Avoid abrupt maneuvers, paved surfaces, hard acceleration when turning, and side hilling; slow down before entering a turn. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. Never carry a passenger in the cargo box or exceed seating capacity on a UTV. Never operate on public roads unless designated for off-highway vehicle access; collisions with cars and trucks can occur. Never drive under the influence of alcohol or drugs. Do not shoot from or lean firearms or bows against the UTV. YANMAR recommends that all riders take a training course. For safety training information or UTV training visit <http://rohva.org>. All materials and specifications are subject to change without notice. All specifications, competitive specifications, claims and information contained within are based on current knowledge and readily available information and material as of 04/16/2020. This brochure is for descriptive purposes only and reasonable efforts were used to set forth the contained information; some items shown may be optional and some products shown may not be available at all dealerships. YANMAR disclaims all representations and warranties, express or implied, or any liability from the use of this brochure.
