

# Multi-Pro™

## Multi-Pro Gas Post Driver

Pneumatic • Hydraulic • Gasoline  
Professional Grade Tools

## Adaptable to fit your post installation challenges

The Rhino® Multi-Pro™ Gas Post Driver powered by a Honda 4-cycle engine, is engineered with increased driving dynamics to drive larger posts and the versatility to take on more post driving applications.

- Larger body, hammer, and anvil provide 35% more hitting power than the Fence Pro™
- Includes Rhino® Chuck-Lok™ 1", 1 - 3/4", 2" Adapters
- Versatile external chuck design can be configured for driving 1.2-4 lb channel post, tent stake, or 1-3/4" to 2-1/2" square sign post and square post sign anchor with a drive cap.
- Quick change chuck is designed to receive the Chuck-Lok™ Adapter System and be quickly removed when changing accessories
- Two-piece adapter design allows quick removal of driver from the post
- Equipped with Rhino's CIS™ Vibration Dampening
- Padded grip for handling comfort
- Powered by Honda® GX35 4-Stroke Engine
- Shock resistant heat-treated steel components
- Double sided, sealed bearings on all rotating parts
- Removable bottom handle
